

# THANKS FOR CARING

Pet Adoption Alternative of Warren would like to invite you to participate in our annual Bowl-a-thon. This event helps fund our mission to assist animals in need of a home. Your support allows us to respond to the abandoned and orphaned animals in your local community. Funds go directly to the animals and provide food and shelter.

**Registration includes 3 games, pizza and pop!**

## SPONSOR ME PLEASE!

Where can you find people to sponsor you for the Bowl-a-thon? Giving sources are in your community, if you just ask. 

Here is a checklist of suggestions to ask:

### Your Neighbors

You borrow cups of sugar and yard tools, so now it's time to ask for a donation.

### Workplace

If you purchase Girl Scout cookies or Boy Scout popcorn over the last few years, it's your turn to hit up your coworkers for a donation. 

### Relatives

Let your family know that you found a cause worth giving to.

### Favorite Restaurant or "Watering Hole"

If you have been a patron for a while, ask the owners for a donation in their business' name.

### Place of Worship

After the sermon, ask the congregation for a donation. You will be amazed at how many people will reach in the pockets for such a great cause.

### School

Talk to a teacher about setting up a contest to collect the most donations in your child's class. 

PAAW helps hundreds of animals find new homes each year. We work hard to find the perfect match for owners and pets. These are a few of the animals we're currently helping to find a home. Browse our complete listings at [www.paawarren.org](http://www.paawarren.org).
